Rental Agreement

NOTICE: This document makes you responsible for everyone and everything related to your use of the Red Gum Studio property, facilities and equipment, and limits Red Gum Studio's liability to a refund of the rental fee paid.

I the undersigned (the production) do hereby indemnify and hold harmless (the studio) Visual Support Inc. DBAs Red Gum Creative Campus, Red Gum Studios, its employees, agents, assigns and the property owners from any losses, including lost rental fees, repairs or delays caused by my production's use of the equipment or premises.

I am (or employ) a working professional in the industry, knowledgeable in the equipment, suitability, and safety requirements needed for my use. I will check, or have checked, all equipment before use and will report any problems to the studio management for replacement or repair where needed.

Red Gum Studios Facility Rules –

- Work and play well with other productions and all participants on the premises.
- Leave the premises, as they were when you arrived.
- Report any problems or damage to the studio management immediately.
- WORK SAFE - Do NOT touch any equipment you are unsure of and/or marked "Authorized personnel only" Reduce your financial liability by calling the staff contact before touching anything you have questions about.
- Limit people to only the production needs.
- To avoid additional charges, DO NOT venture into other studios, outdoor sets, storage areas, or touch other equipment without authorization.

Checklist – What y*ou need before the rental begins*:

[ ] Liability Insurance. (certificate)
[ ] Signed rental agreement (This form)
[ ] Payment of rental fees. Payable to Red Gum Studios.

Limit of Liability – As a condition of use, the studio's liability for non-performance of any part of the facilities or equipment rental for any reason shall be limited to a refund of any unused rental amount paid. "The Studio" is NOT responsible for any incidental or consequential losses of any kind, for any reason, nor for any vehicles, equipment or property brought to, or left on the premises. Notice: This facility is equipped with CCTV cameras.
I agree to the above terms and also acknowledge that the studio management may shut down production if any of the terms of rental are breached or for any safety issue, without refund. I further agree that if any portion of this agreement is ruled invalid, the rest of the agreement remains in force.
